

(e) *Consent to sharing of information.* By submitting an application for recognition, the agency authorizes Department staff throughout the application process and during any period of recognition—

(1) To observe its site visits to one or more of the institutions or programs it accredits or preaccredits, on an announced or unannounced basis;

(2) To visit locations where agency activities such as training, review and evaluation panel meetings, and decision meetings take place, on an announced or unannounced basis;

(3) To obtain copies of all documents the staff deems necessary to complete its review of the agency; and

(4) To gain access to agency records, personnel, and facilities.

(f) *Public availability of agency records obtained by the Department.* (1) The Secretary's processing and decision making on requests for public disclosure of agency materials reviewed under this part are governed by the Freedom of Information Act, 5 U.S.C. 552; the Trade Secrets Act, 18 U.S.C. 1905; the Privacy Act of 1974, as amended, 5 U.S.C 552a; the Federal Advisory Committee Act, 5 U.S.C. Appdx. 1; and all other applicable laws. In recognition proceedings, agencies may—

(i) Redact information that would identify individuals or institutions that is not essential to the Department's review of the agency;

(ii) Make a good faith effort to designate all business information within agency submissions that the agency believes would be exempt from disclosure under exemption 4 of the Freedom of Information Act (FOIA), 5 U.S.C. 552(b)(4). A blanket designation of all information contained within a submission, or of a category of documents, as meeting this exemption will not be considered a good faith effort and will be disregarded;

(iii) Identify any other material the agency believes would be exempt from public disclosure under FOIA, the factual basis for the request, and any legal basis the agency has identified for withholding the document from disclosure; and

(iv) Ensure documents submitted are only those required for Department re-

view or as requested by Department officials.

(2) The Secretary processes FOIA requests in accordance with 34 CFR part 5 and makes all documents provided to the Advisory Committee available to the public.

**§ 602.32 Procedures for Department review of applications for recognition or for change in scope, compliance reports, and increases in enrollment.**

(a) After receipt of an agency's application for initial or continued recognition, or change in scope, or an agency's compliance report, or an agency's report submitted under § 602.31(d), Department staff publishes a notice of the agency's application or report in the FEDERAL REGISTER inviting the public to comment on the agency's compliance with the criteria for recognition and establishing a deadline for receipt of public comment.

(b) The Department staff analyzes the agency's application for initial or renewal of recognition, compliance report, or report submitted under § 602.31(d) to determine whether the agency satisfies the criteria for recognition, taking into account all available relevant information concerning the compliance of the agency with those criteria and in the agency's effectiveness in applying the criteria. The analysis of an application for recognition and, as appropriate, of a compliance report, or of a report required under § 602.31(d), includes—

(1) Observations from site visit(s), on an announced or unannounced basis, to the agency or to a location where agency activities such as training, review and evaluation panel meetings, and decision meetings take place and to one or more of the institutions or programs it accredits or preaccredits;

(2) Review of the public comments and other third-party information the Department staff receives by the established deadline, and the agency's responses to the third-party comments, as appropriate, as well as any other information Department staff assembles for purposes of evaluating the agency under this part; and

(3) Review of complaints or legal actions involving the agency.

(c) The Department staff analyzes the materials submitted in support of an application for expansion of scope to ensure that the agency has the requisite experience, policies that comply with subpart B of this part, capacity, and performance record to support the request.

(d) Department staff's evaluation of an agency may also include a review of information directly related to institutions or programs accredited or preaccredited by the agency relative to their compliance with the agency's standards, the effectiveness of the standards, and the agency's application of those standards.

(e) If, at any point in its evaluation of an agency seeking initial recognition, Department staff determines that the agency fails to demonstrate compliance with the basic eligibility requirements in §§602.10 through 602.13, the staff—

(1) Returns the agency's application and provides the agency with an explanation of the deficiencies that caused staff to take that action; and

(2) Recommends that the agency withdraw its application and reapply when the agency can demonstrate compliance.

(f) Except with respect to an application that has been returned or is withdrawn under paragraph (e) of this section, when Department staff completes its evaluation of the agency, the staff—

(1) Prepares a written draft analysis of the agency;

(2) Sends the draft analysis including any identified areas of non-compliance and a proposed recognition recommendation, and all supporting documentation, including all third-party comments the Department received by the established deadline, to the agency;

(3) Invites the agency to provide a written response to the draft analysis and proposed recognition recommendation and third-party comments, specifying a deadline that provides at least 30 days for the agency's response;

(4) Reviews the response to the draft analysis the agency submits, if any, and prepares the written final analysis. The final analysis includes a recognition recommendation to the senior De-

partment official, as the Department staff deems appropriate, including, but not limited to, a recommendation to approve, deny, limit, suspend, or terminate recognition, require the submission of a compliance report and continue recognition pending a final decision on compliance, approve or deny a request for expansion of scope, or revise or affirm the scope of the agency; and

(5) Provides to the agency, no later than seven days before the Advisory Committee meeting, the final staff analysis and any other available information provided to the Advisory Committee under §602.34(c).

(g) The agency may request that the Advisory Committee defer acting on an application at that Advisory Committee meeting if Department staff fails to provide the agency with the materials described, and within the timeframes provided, in paragraphs (f)(3) and (f)(5) of this section. If the Department staff's failure to send the materials in accordance with the timeframe described in paragraph (f)(3) or (f)(5) of this section is due to the failure of the agency to submit reports to the Department, other information the Secretary requested, or its response to the draft analysis, by the deadline established by the Secretary, the agency forfeits its right to request a deferral of its application.

**§ 602.33 Procedures for review of agencies during the period of recognition.**

(a) Department staff may review the compliance of a recognized agency with the criteria for recognition at any time—

(1) At the request of the Advisory Committee; or

(2) Based on any information that, as determined by Department staff, appears credible and raises issues relevant to recognition.

(b) The review may include, but need not be limited to, any of the activities described in §602.32(b) and (d).

(c) If, in the course of the review, and after provision to the agency of the documentation concerning the inquiry and consultation with the agency, Department staff notes that one or more
